

Celebrate Earth Day!

Spanish Books

NUESTRO PLANETA LA TIERRA-Describes the earth's formation and its physical characteristics as well as its relation to other bodies in the universe. Includes directions for making a sundial.

RECICLAR-How to recycle as a means of protecting the environment.

ENVENENAR LA TIERRA-How to preserve the land from toxins, acid rain, and pesticides.

EL LORAX-The Once-ler describes the results of the local pollution problem.

GRACIAS TE DAMOS-The Thanksgiving Address prayer, traditionally recited by Mohawk children every morning to Mother Earth.
