

# CIVICS RESOURCES

**TENEMENT: Immigrant Life On The Lower East Side**-Presents a view of New York City's tenements during the peak years of foreign immigration, discussing living conditions, laws pertaining to tenements, and the occupations of their residents.

**HOMELESSNESS: Can We Solve the Problem?** - Discusses homelessness, its causes, the problems the homeless face, and what the government and citizens can do about it.

**Everything You Need To Know About WEAPONS IN SCHOOL AND AT HOME**-Text and accompanying photographs use a personal story from the author to discuss the problem of coping with increasing weapons violence in the home and classroom.

**Child Abuse**-This anthology focuses on the history and causes of child abuse, the prevention of child victimization, and the personal narratives of survivors of child abuse.

**United Nations Peacekeeper?** -Examines the peacekeeping role of the United Nations in international conflicts.
