Relay for Life was a 5 mile walk on the beach in honor of cancer survivors and the ones who died fighting the terrible disease. The person who set it up for our school was Mrs. Costa and she made a goal of \$2,000 although we only raised \$1,800. All the money our school made goes to cancer research. Some ways that they made the money was by people making donations in the walk and by people donating 5 dollars to light up luminaries which are lit up paper bags aligned on

the beach. The person who donated money for the bag nominated someone in honor of their fight with cancer. The people who were nominated could be someone alive or someone dead. A popular person who was nominated is Talia Castellano who was a famous makeup artist on YouTube that died at the age of 13 last year.

Musical Bobcats

The Bobcat's spring concert occurred on March 5th, 2015. Mr. Rodriguez, Ms. Porter, and Ms. Ruben all helped bring the concert together. The first performances were done by Mr. Rodriguez's guitar and orchestra group. Mrs. Calabresi attended the show and stated that her favorite part was when Richard Lopez played the piano and when Christian Calabresi played the chords for the song "The Water is

Wide." Mrs. Calabresi also stated that the Bobcat talent was outstanding throughout the evening. "It was a pleasure to listen to all the performances and all the music teachers rocked!" stated Mrs. Calabresi. Tobias Paglioroli played a solo on the violin and stated "I do it all the time and it felt great!" Sophia Cuervo sang "Lean on Me", and she said it made her extremely nervous, however, it was a

great experience. Ms. Ruben's students played the recorders after the orchestra and guitar students played. Many parents and students were entertained by the performances that Mr. Rodriguez, Ms. Ruben, and Ms. Porter put together for their enjoyment. So next time you want to see a great concert, come by to the Bobcat's next performance!

Spring Break

Do you enjoy spring break?

Yes

No

Depends

What do you usually do during spring break?

Traveling

Beach or pool

Nothing

Do you look forward to spring break?

Yes

No

Kind of

What activities do you do during spring break?

Go on bike rides.

Surfing

Nothing

What would you do at the beach?

Swim

Tan

Sand castles

Keep track of your colors !!!!

Energetic

If you mostly got blue, you are energetic! You love to do activities and you're always active! You would rather go to the beach than staying at home.

Laid Back

If you got mostly green, you are laid back! You are sort of active. You rather go walking than laying down on your bed.

Inactive

If you mostly got red, you are inactive! You dislike doing activities. You would rather stay home than go swimming.

SPIRIT WEEK

THE WINNER IS THE GREEN TEAM!!

The final score for the entire spirit week was green: 197 and white: 170. Great job everyone!

CENTENNIAL ART

On March 26th, Miami Beach hosted an event to commemorate its 100th year anniversary. Miami was first established by Charles and Henry Lum to help shipwreck victims at or near the coast of South Florida. To help lighten up the mood at the event, Miami asked all Miami-Dade Public County Schools to make a contribution to-

wards the 100th year anniversary. Some schools, like ours, made art revolving around its 100th year. Mrs. Vidal Santos' art classes made posters for the event. All the art was displayed in city hall. A lot of the pictures created include warm beach scenery with tall palm trees as well as the tall skyscrapers that you can see in downtown. Thanks to Dade

County, we were able to show off our art skills for the people of Florida.

Growing Forward Green

The Gardening club gives students a chance to learn how to garden for the future. Ms. Costa started the club for students with a passion for gardening. In this club, which consists of 30

students, it teaches how to recycle plants and vegetables, as well as how to sustain plants. If you have plans to make a career in botany, this club is the right place for you!

SPORTS

Ndamukong Suh hit the open market on March 10, 2015 at 4 p.m. He was considered to be the number one agent on the “free agent” market. He recently played for the Detroit Lions and he was looking for a record breaking deal with a team that has playoff hopes. Many teams wanted this one particular player, but no one wanted to over pay for him except for our hometown team, The Miami Dolphins. His contract was a 114 million dollar contract for 6 years, with 60 million guaranteed. Hopefully, he lives up to his expectations with his new team The Miami Dolphins.

GO GREEN

Reduce, Reuse, and Recycle! Our school RKBBH is going green by helping the environment. Some ways we are doing this is by recycling clothes, bottle caps and soda caps. Mrs. Bergman has been sending soda caps to the Ronald McDonald House for the last 14 years. Mrs. Bergman also sends bottle caps to a beauty company “Aveda,” which has a special facility to recycle bottle caps. Other teachers such as Mrs. Miller, organized a gardening club. Her after school club makes items such as purses and wallets or recycled juice pouches.

The Adventures of Flamin-Guy

Science Smarties

Congratulations, Bobcats for winning the science fair at Miami Dade College! This Science fair took place on February 7, 2015. Teachers from Dade County evaluated the student’s projects. fourth and fifth graders participated in this exciting event. Two

judges placed stickers on the projects depending on their quality. Over 7,000 students participated. This was a sensational and entertaining event. Congratulations to Diana Diaz-Brunet, Garcia Jorik, Alexa Manani, and Shaun Merrill.

By: Camille Garcia, Brett Posner- Ferdman, and Walter Lanza

Pop Ed

This month we are featuring a song called *Stay with me*, by Sam Smith. He won 4 awards at the 2015 Grammys: Best Artist of the Year, Best Pop Vocal Album, Song of the Year, and Record of the Year. Sam wrote the song about a past break up. He was born in London, England on May 19, 1992. If you haven’t already heard the song, you might want to listen to it!

By: Assie Lobanova and Angela Pena.

Congratulations to 3rd grader Connor Barreras! He has won the iPad due to his donations towards our computers for new desktops. Connor explained to us that when he donated money to the fundraiser, he was automatically put into a raffle.
