

MATH, ARTS, SCIENCE ACHIEVEMENT CENTER

for High Achieving and Talented Youth

MASA is a program that provides opportunities for high achieving and gifted students to be in a comfortable and safe environment with like-minded peers to; comprehend, apply, explore, analyze, discover, and evaluate concepts while motivating one another. The organization provides an environment where high achieving and gifted students can challenge themselves and exercise their critical thinking skills by using higher order thinking. MASA nurtures the unique needs of every student while encouraging the development of our future scientists, mathematicians, writers, and thinkers to delve deeper and reach their true potential.

MASA SUMMER CAMP 2015

July 6-10

Wild Survivor (grades K-2)

You're stranded in the wilderness! Use your creative, scientific reasoning, artistic skills to explore ways to survive.

Project Gamma: Powers of Superheroes (grades 3-4)

Have fun learning the science behind superpowers as you investigate the physics, biology, and chemistry behind the super feats.

Stop the Epidemic (grades 5-8)

Learn about modern day biochemical experiments to understand spread of disease. We will investigate acids and bases, analyze foods for lipids, proteins, carbohydrates, in a fun and challenging way.

July 13-17

Where in the World? (grades K-2)

Have fun exploring Earth's different biomes; from deserts, oceans and rainforests, to the freezing arctic.

Under the Big Top (grades 3-4)

Come under the big top for a week of circus science. Experience the physics and forces at work behind spectacular feats.

Electric Transportation (grades 5-8)

Combine Leonardo's imagination with Ben Franklin's determination to build and race electric vehicles.

Where: 6855 SW 152 Street, Palmetto Bay, Florida 33157 (Westminster Christian School)

Dates: July 6-10, July 13-17; Time: 9 am -3 pm

Grades: K-8 (2015-16 academic year)

\$280 per child per week. Families registering multiple weeks or multiple siblings: \$265 per child per week.

To apply and to register, please go to www.masafloida.org

Scholarships are available for students eligible for the free or reduced lunch program. To apply for scholarships, please provide documents qualifying the student for free or reduced lunch, a copy of latest standardized test scores (SAT, FSA, and/or EOC) or teacher recommendation letter. Scholarship applications must be received by June 1, 2015 for consideration. Scholarship winners will be notified via email on June 15. Due to limited funding and to ensure opportunities are given to other students to participate in the MASA program, past scholarship winners in the summer and Saturday programs are not eligible to apply. Please email or mail application to info@masafloida.org or MASA, P.O. Box 950578, Lake Mary, FL 32795.
