

March 15, 2019

Dear Student,

Congratulations on your DASH acceptance! Once you accept our admissions offer to attend DASH for the 2019-20 school year, a schedule will be created for you based on your middle school courses. Please select a foreign language elective (or, Creative Photography if eligible) below and return this form no later than Friday, April 5, 2019.

At DASH, students are required to complete two consecutive annual courses of a world language. In some cases, students complete world language courses in middle school. **Some world language courses taken in middle school qualify for high school credit and some do not.**

If you know for certain that you have completed two consecutive high school level world language courses, you may select an advanced level language course or, if you do not wish to take an additional language course, you may select Creative Photography below. If you select Photography, please indicate which two high school level world language courses you have taken. Please note that AP language course selections are subject to teacher approval and may require a placement exam at the start of the 2019-20 school year.

If you are uncertain regarding which course to select, ask the school counselor at your middle school for assistance completing this form.

On the back of this form, please include your and your parent/guardian's email address and phone number and indicate if you have ever taken a **virtual course** and/or if you are currently enrolled in one.

Thank you for your cooperation. Should you and/or your parent/guardian have any questions or concerns, please include them on the back of this form.

Best Regards,

Michele Molina
School Counselor
(Student last names A – L)
